CONCEPT
This program is designed to provide the physician, physician assistant, nurse practitioner and resident with practical diagnostic and therapeutic information covering the broad scope of clinical practice. There is an emphasis on common diseases, practical therapeutic and controversial issues. Please see
www.familymedreview.sw.org for full details.

OBJECTIVES
As a result of attending this course, the participant should be able to:
• Evaluate the common shoulder injuries and discuss up-to-date treatment modalities.
• Recognize the symptoms of polycystic ovarian disease and discuss various evaluation and treatment methods.
• Review environmental emergencies in the pediatric population, how to prevent these emergencies, and updated treatment measures.
• Discuss the role of neuromodulation in dealing with motor disorders.
• Evaluate up-to-date evidence on the treatment of aortic stenosis.
• Identify the common ailments of the nose and current treatment modalities to alleviate suffering for patient with nasal issues.
• Evaluate types of wounds and effective healing methods.
• Define the latest guidelines in tuberculosis and newest treatment recommendations.
• Identify the dermatology problems and learn the latest treatment modalities.
• Define and manage diabetic ketoacidosis.
• Evaluate and classify heart failure and learn current treatment options.
• Review the updates on recognizing and managing neurological complications that are commonly seen in a primary care setting.
• Discuss the latest updates in travel medicine and how to counsel patients on preventive health while traveling.
• Evaluate the top 10 patient-oriented evidence that matters according to the latest medical research.
• Review the latest approaches on how to recognize a difficult patient and how to effectively deal with problem behaviors to optimize health for him/her.
• Evaluate the different causes of poor sleep quality and learn the latest techniques in promoting better sleep.
• Appraise the various health conditions that affect the pediatric population, learn prevention, and treatment for these conditions.
• Evaluate procedures for how to identify depression in the child and adolescent population and the latest treatment modalities.
• Evaluate the reasons why claims are commonly denied and the appropriate codes to use when billing for services.
• Review the techniques of motivational interviewing, using patient’s own ambivalence about change as a powerful fulcrum to promote change in his/her behavior to reach desired goals.

• Recognize common radiology images to improve the decision making process.
• Evaluation of skin lesions and treatment modalities.
• Evaluate the various legal risks that pose a threat in one’s office practice.
• Discuss the latest Medicare regulations and how to comply with them in one’s practice.

ACCREDITATION
The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CONTINUING EDUCATION CREDIT
The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 24 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians.

SPECIAL CONSIDERATIONS
We do try to control the temperature in the meeting room, but for your comfort, please remember to bring a jacket.

CANCELLATION/REFUND POLICY
Deadline to register online or faxed registrations is April 7, 2017. Walk-in registrations are accepted, but we cannot guarantee seating or conference materials the day of the conference.

Refunds (minus $100 administration fee) will be provided to registrants who cancel their registration in writing prior to March 24, 2017. No refunds after March 24, 2017. The conference organizers cannot be responsible for reimbursement of airline fees and other accommodation expenses.

MEETING AND LODGING
The Review will be held and a block of sleeping rooms reserved at the Doubletree Hotel, 6505 I.H. 35 North, Austin, Texas. A special guest room rate of $149 single/double (plus tax) has been granted for attendees of this meeting. To make reservations at this rate, telephone the hotel directly at (512) 454-3737 and identify yourself as attending the Scott & White Family Medicine Review program. Reservations requested after March 19, 2017 will be accepted only on a space available basis.
